

Boost4Health Travel Grants

Want to do business in mainland Europe? Attending events or visiting a business are an ideal way to network and to see what market has to offer. **The Boost4Health travel grants can offer up to €500 funding towards accommodation and travel costs.**

Who can apply? The travel grants are available to Kent-based Life Science businesses (SMEs) in the sectors of: pharmaceuticals, biotech, medtech and nutrition that are looking to do business in mainland Europe.

Why attend an event?

- Potential for collaboration through matchmaking opportunities
- See exhibitions and business showcases
- Network with like-minded European businesses.

Take advantage of our travel grants and visit one of the upcoming events in 2019
