

TOWERGATE INSURANCE BROKERS ASHFORD

Thank you for allowing us the opportunity to introduce ourselves.

We believe any business relationship should revolve around confidence and trust. Our insurance expertise and technical ability enables us to become a long-term Trusted Advisor of choice. Launched in 1997, Towergate has grown into one of the UK's largest independent insurance brokers. We deliver an end-to-end proposition; pre-loss risk management, risk transfer and post loss recovery; we are always by your side.

Your Towergate office in Ashford

From our office in Ashford, Kent, we offer business owners and managers peace of mind. The kind of peace of mind that comes from strong risk and insurance advice offered by true insurance experts.

With our team of dedicated insurance professionals, you can call upon a wide array of skills, knowledge and experience to protect and develop your business. Whether you are a desk based start-up or a global manufacturer; a small charity or a UK wide property developer, we can assist.

We can adapt solutions to fit the smallest local business whilst also offering multinational solutions working within one of the World's largest independent global networks; operating in over 100 countries, across 6 continents.

Let us be your Risk and Insurance Advisor

We are experts in finding our way through every type of insurance maze. We can adapt solutions to almost every trade and the range of those already looked after includes, but not limited to:

- Construction, Contractors and property developers and associated trades
- Manufacturing and engineering
- Distribution and logistics
- Property owners, commercial and residential
- Motor Trade
- Care and Charity sectors
- The retail sector including wholesale
- Sports, leisure and entertainment including hotels and restaurants
- The legal, accounting and marketing professions
- Arts & Culture

Our experience and expertise goes beyond this handful of examples, whatever your business sector, call us today to discuss your business insurance requirements.

Our proposition includes the following five principle pillars of strength: -

- 1. Local presence, nationwide scale** - We are local people, embedded in the community, providing a personal service, backed by the strength of one of the UK's largest independent insurance brokers..
- 2. Risk Management** - Working with you to minimise risk, preventing incidents from happening
- 3. Post Loss Recovery** - Helping you recover, following a loss
- 4. Technical advice** - We are risk experts, providing bespoke and professional advice
- 5. Insurance & Employee Benefits** - A comprehensive portfolio of risk transfer solutions, with a programme design tailored to your needs

Our Commitment to You - we will aim to ensure that, as a minimum: -

- You receive all documentation at pre-agreed times.
- You receive an annual market strategy review, with the objective of assessing your insurance requirements so that we can feel confident they meet your changing needs.
- Ongoing insurer discussions and meetings are undertaken.
- Ongoing advice on the extent of policy coverage, interpretation of wordings and contracts.
- Provision of claims handling statistics, trend analysis, and regular updates.
- Basic insurance familiarisation and training available as and when required.
- **A Compelling and Competitive insurance package for your business**

To discuss a review of your insurance arrangements, please contact us today,
